

# Participation Guide Lines

- Participants may attend Yoga classes for FREE during the time of treatment up to 3 months after their last clinical treatment.
- They may bring one support person with them for class. This person does not have to pay as long as they are in support of their loved one. The support person can be a different person every time.
- 
- The Yoga Business will provide the days and times of the classes open to Living Tree Yoga Participants, or Participants can call relative yoga studio to reserve a spot class.
- 
- IF the participant wants to attend another class or a class that is not listed, the LTY Participant will pay as every other patron.
- 
- Participant and Support Person must complete a Student Registration Form and Release from Liability Form. Individual Studios may require you to “sign in or call prior to class”
- 
- Paperwork includes Student Registration Form, Release from Liability Form we recommend that you also provide a Doctor Consent form from your physician.
- 
- The LTY Participant must complete a signed waiver releasing Living Tree Yoga and the selected Yoga Business and Instructor from any liability what so ever with regards to attending classes as part of the Living Tree Yoga support program and while on-premises.
- 
- It is recommended that the LTY Participants have a signed consent form from their doctor’s office.
